

**NATIONAL CENTRE OF
 ARTIFICIAL INTELLIGENCE**

To **Secretary**
 Ministry of Planning and Development

Subject: **Certified Artificial Intelligence Professional Program by NCAI NUST**

Dear **Mr. Awais Manzur Sumra,**

I hope this letter finds you in great spirits.

AI is undeniably one of today's fastest-advancing technologies, often described as the 'electricity of tomorrow.' Its far-reaching applications span sectors like governance, healthcare, finance, telecom, defense, education, and agriculture. Pakistan's government acknowledges the profound impact of AI across these diverse areas, exemplified by the establishment of the National AI Task Force, which aims to expedite AI adoption in various sectors to enhance good governance and foster international collaboration in digital exports. The potential GDP impact, as large as USD 15.7 Trillion by 2030, further underscores the significance of AI. The heightened focus on AI has created a substantial demand for AI professionals, prompting swift action.

Awais Manzur Sumra
 Secretary

In collaboration with AI experts, NCAI launched the "Certified Artificial Intelligence Professional" (CAIP) program tailored for government officials. This 4-month certification (2 days per week), designed for professionals ranging from managers to CEOs, enhances skills in leading AI initiatives, improving public services, and fostering innovation. Successful completion grants a recognized CAIP certificate from NCAI, NUST, including networking opportunities with global peers.

We are pleased to inform you that our previous two cohorts of the Certified Artificial Intelligence Professional (CAIP) program have attained remarkable success. In this regard, we are delighted to announce the commencement of third cohort of CAIP, scheduled to commence in **July 2024**.

NCAI is honored to extend the opportunity to allocate seats to officials/professionals from your esteemed institution for this upcoming cohort. However, it is imperative to note that seating availability is limited. We kindly request you to furnish detailed information regarding the nominees following the template provided below. Further instructions regarding the registration process will be communicated promptly.

Name	CNIC	Email	Contact No	Org Name	Designation

Kindly ensure the submission of nominal rolls no later than **June 30, 2024**. Should you have any inquiries, please do not hesitate to contact the NCAI Program Manager, Mr. Muhammad Sadiq, via email at pm@ncai.nust.edu.pk, or by phone at 0300-5805298.
