Subject: Importing International Best Practices to Pakistan - Enhancing Capacity Building & Strengthening Our Public Sector

AS (SI/Adm)

Dear Mr. Ahsan Iqbal Chaudhry,

I trust this letter finds you in the best of health and spirits.

It was an honor to meet you in Islamabad and I am grateful for the support extended by the Ministry of Planning, Development and Special Initiatives for our cause. As per our previous discussion, please find below the proposal we have devised to support the Ministry of Planning, Development and Special Initiatives in their mission for public sector capacity building in Pakistan. The proposal details how we extend our support as the Chartered Institute of Arbitrators Pakistan Branch, a global gold standard of excellence in the services of providing a range of trainings.

Our proposal attached alongside this letter for the training of PSPD Project Managers encompasses a comprehensive approach to enhancing capacity building within the Ministry of Planning, Development and Special Initiatives. Specifically, we aim to provide training certification programs and training at subsidized rates, keeping in mind the specific demands of the Ministry of Planning, Development and Special Initiatives and accommodating them accordingly. We believe that Ciarb's gold-standard training would be an essential element in equipping the legal professionals in Pakistan with the necessary skills and knowledge to elevate them to international standards. The ultimate aim of this collaboration is to produce an elevated and reformed public sector which may lead to socio-economic growth for Pakistan.

We look forward to hearing back from you and imparting training to PSPD Project Managers.

Regards,

Barrister Mian Sheraz Javaid,

Chair,
Chartered Institute of Arbitrators
Pakistan Branch
